

## CONFUSION OVER TRADE SHOW

Over the past few days Inflated News has received a number of enquiries regarding the Giant Inflatable Show 2008 on the 27<sup>th</sup> January 2008. The confusion has stemmed from the leaflet, below, that has been emailed and sent to many involved in the bouncy castle industry. Further confusion was caused by an email sent out by the BIHA to its subscriber data base. The BIHA have informed Inflated News that a further email clarifying the fact that it is a Bouncy Castle Sales Company promotion, is being sent to its subscribers.

The confusion centres around the statement 'Variety of Manufacturers Different Inflatables' when in fact this show is a display by Bouncy Castle Sales Company from Telford. A number of recipients believed that this is a show at which several manufacturers would be exhibiting. Other manufacturers do make inflatables on behalf of the Bouncy Castle Sales Company and it is some of these that will also be on display.

This show is purely a promotion of inflatables sold by The Bouncy Castle Sales Company. Obviously fans and certain other items are produced by other manufacturers.
