

NEWS RELEASE

INFLAT-A-SHOW 2008 POSTPONED

The following statement has been received from the organisers of Inflat-A-Show 2008

'Due to several manufacturers pulling out for various reasons, from financial to ill health to 'in house' company disputes and after taking some good advise, we have decided to postpone the Inflat-A-Show until a later date. It has been a difficult decision to make, but we wouldn't want people coming up and being disappointed at a wasted trip. We will of course keep you fully updated on the details of a re-schedule, however....

Here's the good news.....

KLC Castles

have decided to take over the venue rental and will still be having a great fun-filled open day of their own, showing many of the brilliant products they manufacturer here in the UK

This will be a great opportunity to go along and meet the manufacturers themselves and still have a fun day out at the venue!!

For full details of the show, such as opening times, discount offers etc, then please do call **KLC** on **01773 520011 - 07816 353702**

The venue is still
[Bishop Challenor Sports venue](#)
[Kings Heath](#)
[Birmingham](#)
[B14 7EG](#)
[0121 441 6103](#)

so no need to change your plans at all, go along to the
KLC show and have a great day!
